### Alumni Column Donation for the Burke Renovation Project

The stadium at Burke High School has been a special place to showcase and share the accomplishments of students for almost 50 years. With Omaha Public Schools planning to replace the existing turf and track surfacing, now is the perfect time to refurbish Burke’s athletic facilities to meet current demands and prepare it for the next 50 years of use. Alumni giving will be a critical component of the fundraising effort and all families interested in financially supporting this project will receive permanent recognition at the entrance of the new home stadium.

ALUMNI- \$100.00: Bricks for the walkway (stadium only)

WHITE - \$1,000: Donors will receive permanent recognition on a quarter (1/4) of a column in the north end zone fence or the soccer field fence

BLACK - \$5,000: Donors will receive permanent recognition on a half (1/2) of a column in the north end zone fence or the soccer field fence

GOLD - \$10,000: Donors will receive permanent recognition on a full column in the north end zone fence or the soccer field fence

PLATINUM - \$15,000 and higher: Recognition ideas will be negotiated within OPS policy.

All donations to this project will be placed in an account with the Omaha Public Schools Foundation and are tax deductible. All of the money donated to this project will go toward the project and if we do not raise enough money to complete this renovation, all money will be returned.
